*NOTE: The terms Blacks and African American are used interchangeable in this document because many people, reports, and scientific documents still use these terms in this manner. The terms refer to ALL people of African ancestry irrespective of nationality.*

# CRDP African American Population Report Dissemination Plan

## ***Background***

This dissemination plan is an internal document for the African American CRDP Strategic Planning Workgroup (SPW) and the Department of Mental Health (DMH). The intent of the plan is to outline the goals, objectives, and methodologies for sharing all components of our Population Report created under the California Reducing Disparities Project (CRDP), contract #09-7955-006. Additionally, all dissemination plans will serve as the primary vehicle to market the statewide ***California Reducing Disparities (CRD) Strategic Plan*** for mental health.

There are four components of our ***African American CRDP Population Report***.

***Component 1:*** a comprehensive report

***Component 2:*** an executive summary

***Component 3:*** a public report targeting African Americans

***Component 4:*** four inventories that include tailored California based African American mental health programs, emerging and promising practices, African American mental health providers, a national compendium of African-Centered scholars and scholarly work, and other useful resources and reports.

Our ***African American CRDP Population Report*** has been created for diverse groups (for example, policy-makers, service providers, community advocates, client family members, mental health professionals, faith leaders, to name a few), that will use the information to significantly improve mental health outcomes. Information included can be used to develop and implement new and much needed guidelines that will help African Americans get the appropriate services they need. It is also the hope that this report will help non-Blacks to better understand the mental health needs of people of African ancestry living in California, and to improve inter-race relations with the intent of reducing systemic, pervasive and persistent disparities.

# CRDP African American Population Report Dissemination Plan

## *Goals*

### ***Goal #1:***

To improve the quality of mental health care for people of African ancestry living in California

### ***Goal #2:***

To provide credible resources for solutions that are recommended by African Americans that will really meet their mental health needs

### ***Goal #3:***

To create positive changes and policies in the mental health system that will keep people healthy

# CRDP African American Population Report Dissemination Plan

## *Target Audiences*

People of African Ancestry Living in California

African American Mental Health Providers

African American Faith Based Organizations

African American Places of Worship

Policy-makers, Legislatives & Government Officials

Black Media

African American Lesbian/Gay/Bisexual/Transgender/SGL Persons

African American Community-Based Grassroots Organizations

African American Professionals

African Immigrant and Refugee Communities

Mental Health Service Providers

Healthcare Industry

Correctional System

Juvenile Justice System

Educational Institutions

Major Corporations

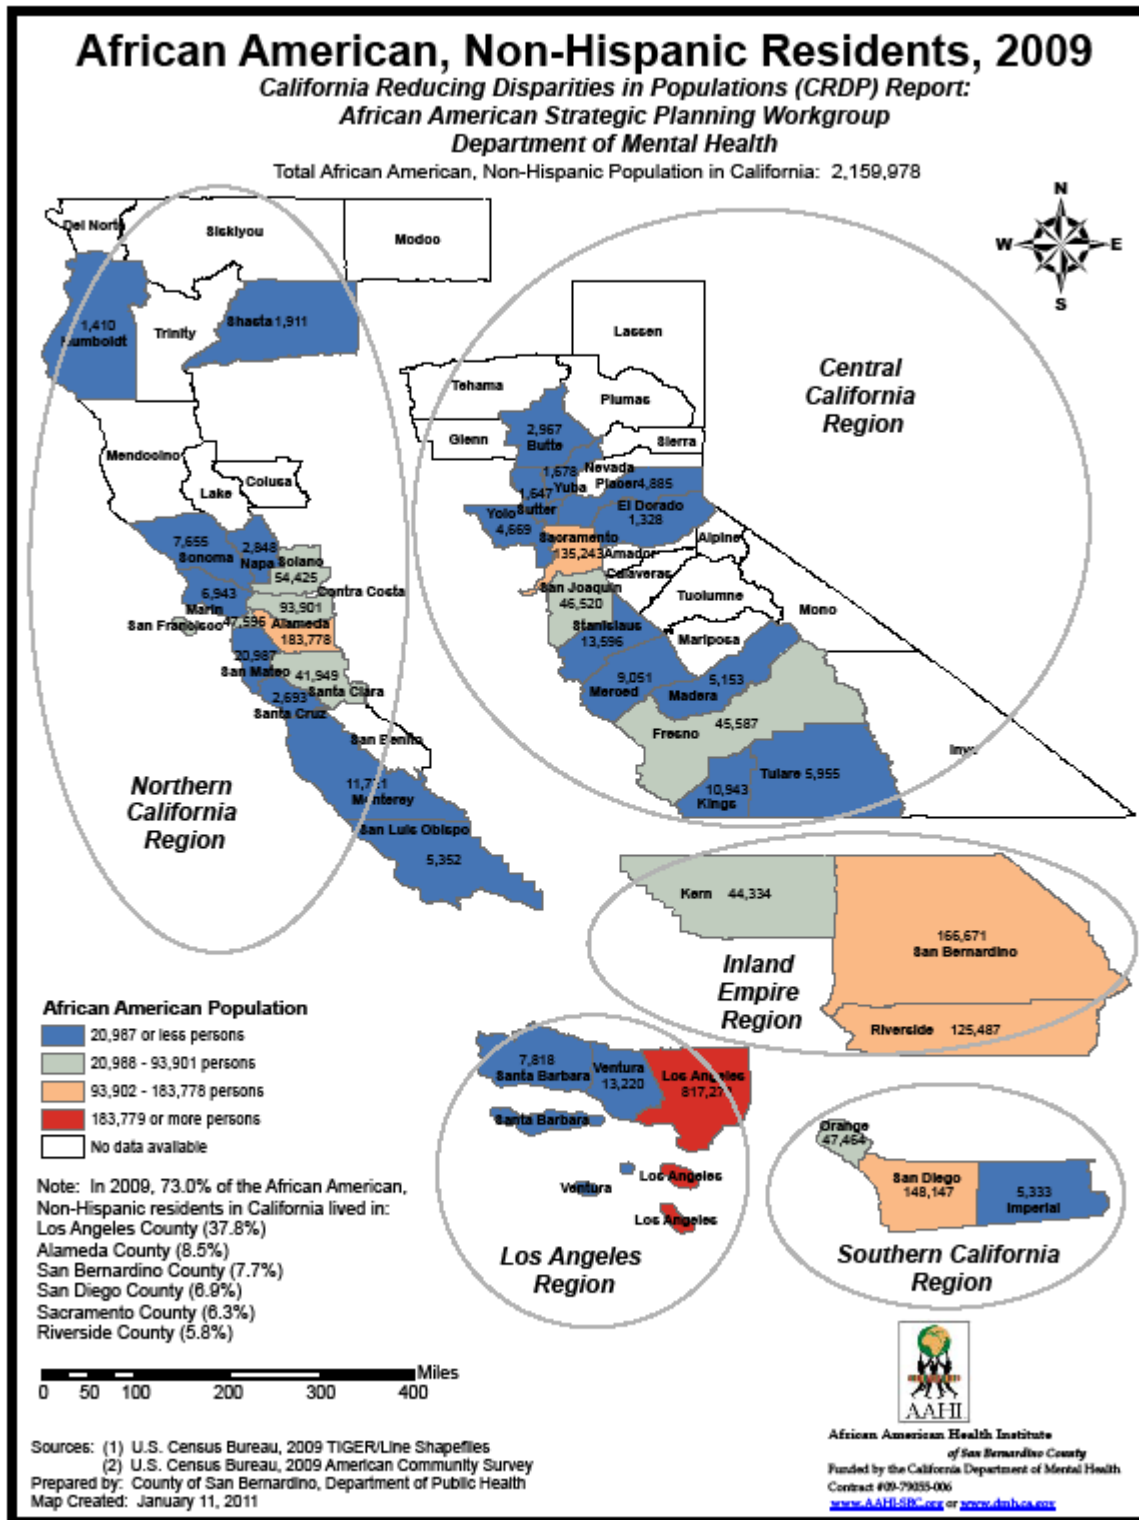

Hospitals/Clinics, Private Practices & Community Health Centers

Local, State, and Federal Agencies/Organizations in California

Others of Interest (anybody)

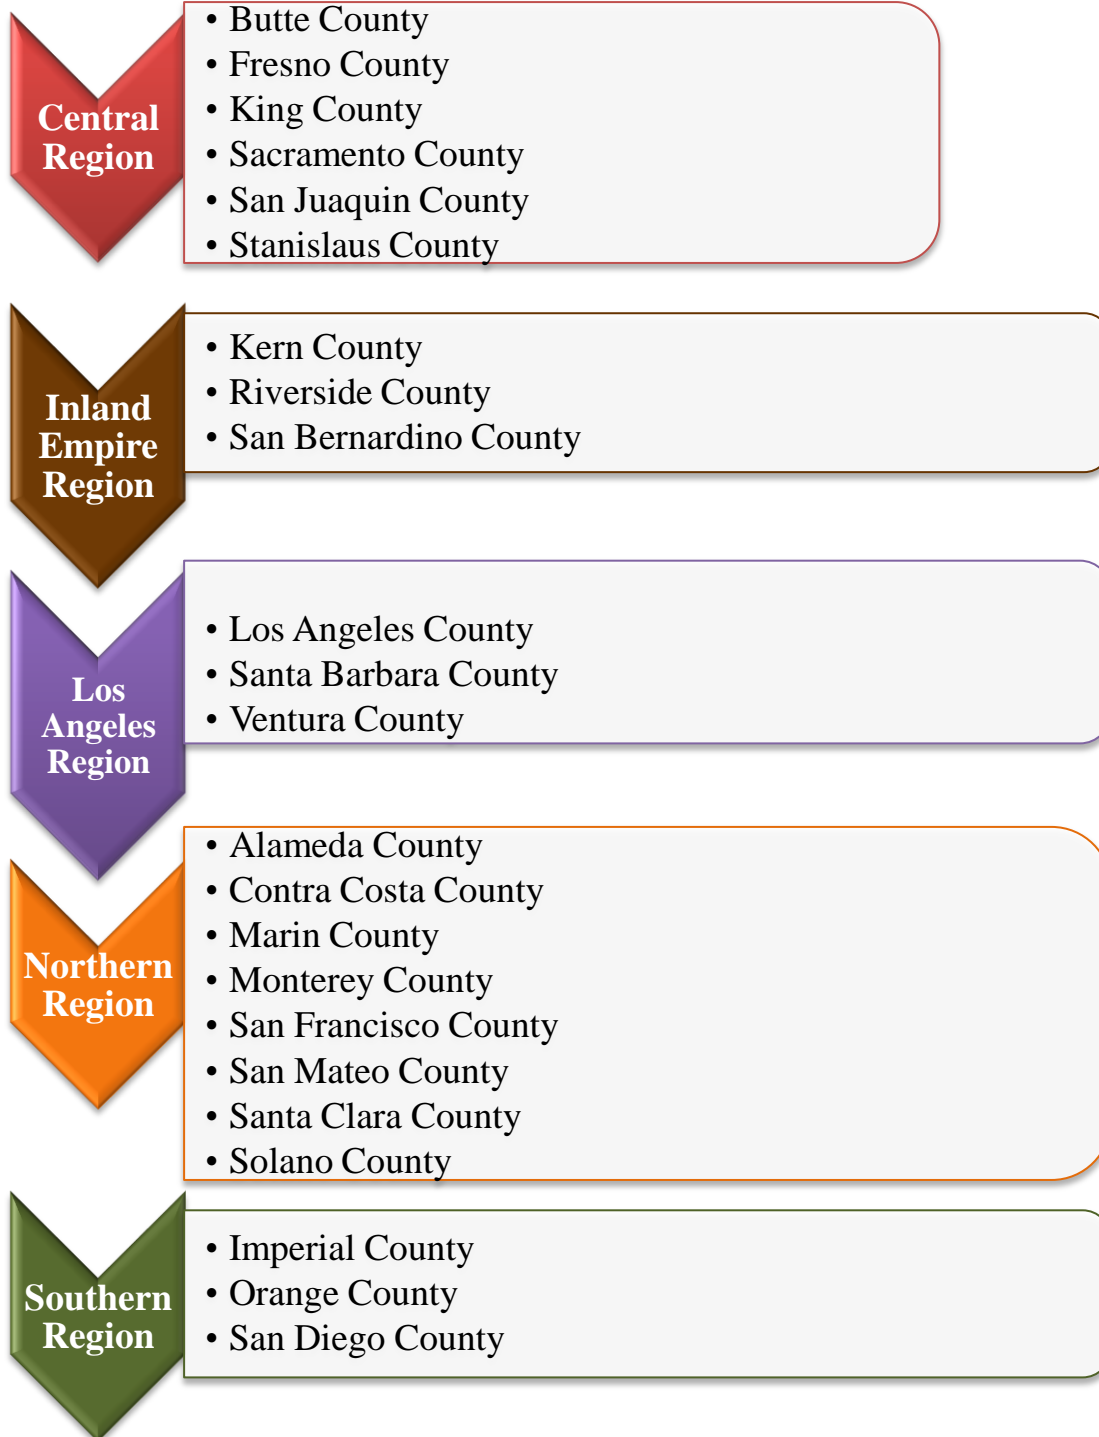

# CRDP African American Population Report Dissemination Plan

# CRDP African American Population Report Dissemination Plan

## *Primary Dissemination Locations*

# CRDP African American Population Report Dissemination Plan

## *Dissemination Tools*

# CRDP African American Population Report Dissemination Plan

## *Methods to Disseminate Information*

### **Method #1 – Media and Web-based**

#### ***Radio & TV***

We will target all of the Black radio stations, community and public television stations in each of the five regions of California. The CRDP workgroup members and community project volunteers will call all the radio stations and television shows in their region to obtain appointments to talk about the CRDP report. Initial appointments will be scheduled during the time the report is under review by the DMH for approval. Projected DMH internal review will occur during July 2011. After the report is approved by DMH for the 30-day public review, follow-up appointments will be scheduled to occur during July to mid-August. Third appointments will be made for the final distribution of the finished report, estimated for September or October 2011. Please see *Appendix A* for a listing of all of the Black media outlets in CA, and *Appendix B* for talking points.

**Press Package:** A press package will be created for distribution.

**PSA:** Free public service announcements (PSA) will also be generated to run on public service access channels during this same timeframe.

**You Tube Video:** A short 5-7 minute video will be available to post on You Tube, which will describe the report and each component. This will give the public the opportunity to take personal time to better understand what the information means and why it is necessary. Individuals can replay the information over and over if necessary.

# CRDP African American Population Report Dissemination Plan

## *Newspapers*

All Black newspapers and collaborative partners (who have newsletters) in each region will be sent ads. Ads will be placed in newspapers during the 30-day public review period around late July to mid-August, and for the final distribution of the finished report, estimated for September or October 2011. Please see *Appendix C* for a sample layout of a newspaper ad.

## *Online Media Source #1 – Facebook & Twitter*

AAHI-SBC will collaborate with project and network partners, such as California Pen-Ethnic Health Network (CPEHN), all DMH SPWs (Native American, Asian Pacific Islander, LGBTQ, and Latino), as well as the diverse AAHI-SBC contacts to link and post on Facebook and Twitter. Once individuals view the Facebook page, they will be able to download the materials, as well as forward them to their Facebook contacts. Twitter messages will be sent four times a month to coincide with the previously stated release dates.

## *Online Media Source #2 – Online Webpage*

Components of the CRDP report will be posted on the AAHI-SBC website. Network and collaborative partners, as well as high exposure groups such as Legislative Black Caucus, National Association for the Advancement of Colored People (NAACP), the Golden State Medical Association, and the California Black Health Network, will be asked to post a link or documents on their website.

# CRDP African American Population Report Dissemination Plan

## *Online Media Source #3 – Mass Email*

AAHI-SBC maintains a mass email list of over 600 contacts. Mass email distribution will take place weekly to coincide with release dates.

## **Method #2 – Print**

### *Formal Letter*

Under the signature of the AAHI-SBC Board of Directors and the President/CEO, a letter will be issued regarding the CRDP Population Report and its components. The letter will be issued as an introduction to all materials disseminated. A special mailing will be sent to select Government Officials, Legislators, and Policy-makers, such as the partial listing in this dissemination plan, see *Appendix D*.

### *Flyers & Posters*

Flyers and posters will be designed around the final report themes and strategically placed in regional locations where a high volume of the population resides announcing the CRDP report. Please see *Appendix E* for a sample layout flyer/poster, and *Appendix F* for a listing of stakeholder groups and community organizations.

### *Compact Discs (CDs)*

CDs will be made available. Each CD will contain all components of the CRDP report. The CDs will be made available online.

# CRDP African American Population Report Dissemination Plan

## **Method #3 – Regional Meetings**

### *Meetings*

AAHI-SBC will host at least 5 community meetings, one in each region, during the 30-day public review period. Persons of interest will have the opportunity to give final comments into the Population Report. CRDP SPW regional members and community volunteers will select dates and locations for each meeting. AAHI-SBC will attend other meetings as time allows and at the invitation of interested persons.

# CRDP African American Population Report Dissemination Plan

## *Dissemination Costs*

### **Newspaper ads:**

- 1/4 page ad (6x5.2)- \$500.00
- Half page ad (12x10.5 horizontal, 6x21 vertical) - \$1,000.00
- Full page ad (12x21) - \$1,500.00

### **Print:**

- Flyers (8.5x11, hard stock paper) – 100 = \$18.01
- Posters (12x18, hard stock paper) – 100 = \$21.51
- Comprehensive Report – 2,500 @ \$20/each = \$50,000
- Executive Summary – 5,000 @ .45/ea = \$2,250
- Public Brief/FACT Sheet – 10,000 @ .05/each = \$500
- African American Mental Health Directory (CD)
- Compendium African-Centered Scholars (CD)

### **Media:**

- CDs – 250 @ \$1.00 each = \$250.00
- Facebook - FREE
- Twitter - FREE

### Project Talking Points

#### Introduction

Greetings, my name is: \_\_\_\_\_

I am a member of the California Department of Health (DMH) California Reducing Disparities in Populations (CRDP) Report Project.

#### What is the project?

- A collaboration of the Department of Mental Health (DMH) in partnership with Mental Health Services Oversight Accountability Commission (MHSOAC), and in coordination with California Mental Health Directors Association (CMHDA) and the California Mental Health Planning Council
- A Strategic Planning Workgroup for African American populations is one of the awardees of the RFP released in 2009 to develop workgroups in five different population groups:
  - African American
  - Asian/Pacific Islander
  - Latino
  - LGBTQ
  - Native American
- The African American Health Institute of San Bernardino County (AAHI-SBC) was the successful awardees for the African American contract
- The African American workgroup is very inclusive of all People of African ancestry, which include, African American, Continental African, Afro-Caribbean, Afro-Latino, and African other nationalities depending on place of birth

For more information visit the AAHI-SBC website at [www.AAHL-SBC.org](http://www.AAHL-SBC.org)

### Project Talking Points

#### What is the purpose of the CRDP Report Project?

- The focus is to write a statewide plan based on the needs of the population in partnership with a broad representation of the population group. The plan will focus on five areas related to mental and behavioral health problems:

#### 1. Reducing Disparities

- Identifying mental health disparities
- Documenting and making recommendations

#### 2. Accessing Programs and Services

##### For example:

- Inventory of current programs and services by regions
- Removing barriers to accessing programs and services
- Clearly identifying access issues

#### 3. Identify focus areas for improved mental health outcomes

##### For example:

- Patterns of everyday life
- Linkages of mental and bio-psychological
- Assessment of trauma
- Meaningful interventions

#### 4. Promoting effective relevant approaches and solutions

- As defined by the community
- Culturally relevant and competent based on the people

#### 5. Supporting community participatory evaluation approaches

- African-centered metrics
- Recommendations for appropriate methodologies and metrics

#### How long is the project?

- Two years

#### Where will the project take place?

- This is a California statewide project with focus on the community

#### What are the expected outcomes?

1. To improve mental & behavioral health outcomes for all people
2. To make sure different people groups get appropriate services
3. To create a more cost effective and efficient system of care
